THE MONTHLY REWARDS PROGRAM

Ordering through the [Monthly Rewards Program](#) is the **smartest way to use your wholesale account** and it's **the highest paying rewards program** in the natural health space!

It's helpful to think about **how much money + time you are spending** to go out and buy things every month that you could order from your own doTERRA store at 25% through your wholesale account.

Not only that, but you will be bringing beautiful products into your home that are **more natural, pure + effective because of the quality of the doTERRA oils that infuse them.**

Watch this [2 min video](#) explaining the rewards program:

WANT TO LEARN ABOUT MORE OF THE PERKS?

We have **curated specific boxes** for you to order based on what your top health goals are right now! We've selected the perfect products to support you and have created selections that would equal at least 125pv.

WHY 125pv?

This is where **the perks are maximized** when you order through the monthly [Rewards Program!](#) When you place a monthly order of at least 125pv before the 15th of the month, you'll **receive a free product every month** from doTERRA!

In addition to that, **you'll receive all of your shipping costs back** in free product points and you'll start by **earning 10% of your order back in free product points.**

This earnings rate grows throughout the year **until you've locked in 30% back** by the end of the year! Your earned free product points will appear in your back office the following month.
